

City of Erie
Mayor Rick Fillippi

CA 05-175 F

FederalJudge Sean McLaughlin

I have a temporary Injunction that Officer DeLuca, Officer Victory, Officer Hill, of the Erie City Police Department, to have absolutely no contact with me, since he's a person in my law suit. He once again illegally place handcuffs (Victory) on me & illegally detain me in Erie County Prison, stating a bail piece was issued by a Common Pleas of Erie County Judge. They shown me no commitment papers or a court order recommitting me to Erie County Prison. Or have I been in front of a Common Pleas Judge, stating bail was revoke.

These nemesis of city & county official have articulated irreparable property affliction, to me, losing another Gob at DHL packaging (through Express Presence) temp agency.

Please take time to review, the

Temporary Injunction Motion, with ~~minor~~ exigent cause the facilitation of retaliation vendetta is paramount ~~evidently~~.

They're apprehended me on three separate occasion on this frivolous detention. August 12, August 21 and November 13, of a simple assault (M2) concocting bail circumstances, with false paperwork. Officer Hill, was ~~briefed~~ by the victim relative, who he stated didn't your cousin tell you.

In the optimum interest of Justice, review the criteria of the Motion file.
